Dated: 30-10-2025

REQUEST FOR QUOTATION

PK-SPA-519570-GO-RFQ

PROCUREMENT OF PROGRAM BRANDING WALL CLOCKS

The Government of Sindh (hereinafter referred to as the "Borrower") has received financing from the International Development Association (IDA), hereinafter referred to as "the Bank", toward the cost of the Strengthening Social Protection Delivery System in Sindh (SSPDS) Project. The Project Management & Implementation Unit (PMIU), Sindh Social Protection Authority (SSPA), Social Protection Department, Government of Sindh, acting as the implementing agency, intends to apply part of the proceeds of this financing for the procurement of Program Branding Wall Clocks.

This procurement shall be conducted in accordance with the World Bank Procurement Regulations for IPF Borrowers (November 2020), available at www.worldbank.org/procurement.

The Project Management & Implementation Unit (PMIU-SSPDS) invites sealed quotations from tax-registered, well-reputed firms having prior experience in the supply of similar goods.

Preparation of Quotations:

Interested firms are requested to submit their sealed quotations on company letterhead, duly signed and stamped, on or before 03:00 PM, November 10, 2025, to the address below:

PROJECT DIRECTOR

Project Management & Implementation Unit, Strengthening Social Protection Delivery System Sindh (SSPDS), Sindh Social Protection Authority, Govt. of Sindh 155-N, Main Khayaban-e-Muslim road, Phase-VI, DHA Karachi (Sindh) Pakistan.

For enquiries, please contact at n.memon@sspa.gos.pk.

Quotations shall be prepared in accordance with the specifications provided in Annex-A. Prices quoted must be inclusive of all applicable taxes, duties, and charges. Each quotation shall remain valid for a minimum period of thirty (30) calendar days from the closing date for submission. The contract will be awarded to the bidder submitting the lowest evaluated, substantially responsive quotation.

Terms and Conditions:

1. The bidder must not have been blacklisted or debarred by any government, semi-government, or private organization in Pakistan.
2. The bidder must possess valid NTN and registration certificates and be an active tax filer.
3. The bidder must have experience in supplying relevant items.
4. The delivery period shall not exceed 60 days from the issuance of the Purchase Order.
5. The delivery location will be SSPDS Headquarters, Karachi.
6. Payment will be made upon satisfactory delivery, verification, inspection and submission of invoice and delivery receipt.
7. The Purchaser shall not bear any cost related to the preparation or submission of quotations.
8. In case of discrepancy between unit and total prices, unit prices shall prevail.
9. The Purchaser reserves the right to reject any or all quotations without assigning any reason.
10. The prices quoted shall be final, as no negotiations will be conducted.
11. All applicable taxes and deductions shall be made in accordance with Government rules.

PROCUREMENT OF PROGRAM BRANDING WALL CLOCKS

Description/Specifications	Qty.	Unit price in PKR (inclusive of all taxes)	Total Price in PKR (inclusive of all taxes)
<p>Purpose: Branding and time display in Mamta Program health facilities and district offices.</p> <p>Branding: Must prominently display the "Sindh Government's Mamta Program" logos and the text (to be provided separately).</p> <p>Diameter: Minimum 12 Inches (30 cm), Maximum 14 inches (35 cm) (ideal size for visibility in a typical room). Shape: Circular (standard and widely accepted).</p> <p>Frame Material: Durable plastic (e.g., ABS) or metal (e.g., brushed aluminium, stainless steel) -preference for materials that are easy to clean and resist corrosion/rust in varying climates.</p> <p>Face Material: Clear glass or high-quality acrylic/plexiglass cover to protect the clock face and hands.</p> <p>Clock Face Color: White or light background for maximum contrast with branding and time readability.</p> <p>Numbering: Clear, large, and easy-to-read English numerals (1-12) or bold hour markers.</p> <p>Hands: Distinctive hour, minute, and second hands, easily visible against the clock face.</p> <p>Wall Clocks Printing Method: High-quality, durable printing (e.g., silk-screen printing, UV printing) that will not fade, chip, or scratch over time, especially in varying temperatures and humidity. Movement Type: High-quality Quartz movement (silent sweep movement preferred, but standard step movement acceptable).</p> <p>Accuracy: Reliable timekeeping with minimal deviation. Power Source: Requires 1x AA battery (battery not to be included in the supply, but the clock must be compatible).</p> <p>Battery Compartment: Secure and easily accessible battery compartment on the back. Durability: Designed for long-term use in public facility environments. Mounting: Integrated hanger or sturdy keyhole slot on the back for easy and secure wall mounting.</p>	850		

<p>Environmental Suitability: Suitable for indoor use in typical office and health facility environments in Sindh (consider temperature fluctuations and dust).</p> <p>Packaging: Each clock must be individually packed in a secure box to prevent damage during transit. Packaging should clearly indicate the product name and quantity.</p> <p>Standard Warranty Required.</p>
